Episode 02: The truth behind 'birthing' Elegant Femme

'I couldn't bring back Mason. It didn't really matter what kind of paperwork I filled out or didn't fill out. That wasn't going to change the situation, and the only thing that would was how I chose to relate to it, and what I chose to have it really mean about me and my life.'

What defining moment have you been through that rocked your identity to the core?
