

GIFT GIVING SYSTEM

GIFT THE
perfect gift
to *everyone* on
your list

Being a good gift giver is a trait of an Elegant Woman, here is a simple guide to help make sure you are giving the perfect gift.

Name of giftee: _____

1. What are the last 3 gifts you have gotten from this person?

If this is the first time you will be exchanging gifts what have they gotten for other people?

2. What do you know about this person that other people do not know? Think about this, think back to past conversations.

3. What dreams does this person have that are still unfulfilled?

4. What does this person most often COMPLAIN about?

When it comes to gift giving we are often so busy that we do not take the time to truly think about what the other person wants. To make a gift memorable and surprising you must think about WHO this person is and what makes them uniquely them.

Here are some gift ideas that will help you generate some thought, make sure you complete the above questionnaire first.

I am BIG on giving experiences as well as items, there are often so many things we want to do but never take the time, when you receive it as a gift you are giving the other person permission to fulfill their dreams-beautiful and very, very Elegant Femme.
